# Mayoral Minute

**Subject**                    **37<sup>th</sup> New South Wales Aboriginal Rugby League  
Knockout Carnival**

That I Councillor Merv King, propose to move:

**“That Council endorse my decision to advise the Organisers that Lismore City Council declines to host the 37<sup>th</sup> New South Wales Aboriginal Rugby League Knockout Carnival over the October 2007 Labour Day weekend”.**

## Background

Following a request for the use of Oakes Oval and Crozier Oval for the purpose of conducting the 37<sup>th</sup> New South Wales Aboriginal Rugby League Knockout Carnival planned for the 2007 October Labour Day long weekend an invitation was extended to the organisers to present their proposal and answer questions.

Since then I have sought advice from staff and local service providers to ensure that a decision on this matter was given due consideration and all aspects of the proposal were thoroughly assessed.

As far as I am concerned, the key issues are accommodation for visitors, local travel arrangements for visitors and the cost to Lismore for hosting the event the Carnival. This would be the biggest multi-day event ever planned for the centre of Lismore. Up to 5,000 visitors are expected to attend the Carnival on each of the four days.

Having regard to these issues, the anticipated outcomes are such that I am unable to lend my support to the proposed Carnival in Lismore. I came to this decision primarily because Lismore is already booked as host to a large number of visitors in the week leading up to, and during, the October 2007 long weekend.

Lismore has the Lismore Masters Games, the Lismore Cup, a Southern Cross University Graduation Ceremony, a Regional Women’s Bowling Carnival and a major local soccer club reunion. These events will absorb most, if not all, of the available accommodation over an extended period, thus it is unrealistic to expect that Lismore could accommodate even a small number of the visitors expected for the knockout carnival.

Public transport, which is very limited in our area, also contributed to the decision making for the request. There is only a daytime town bus service and no public transport link between Lismore, its villages and other towns located nearby after hours. This would pose a real problem for visitors who are unable to stay in Lismore. It is likely that some of the visitors may need transport facilities beyond the four days of the Carnival.

Whilst there is potential for significant economic flow-ons to the business community, the request to waive hire charges and manage the waste generated at Council’s venues is estimated at more than \$40,000. This order of cost competes for priority with other established events in our City, and given the difficulties expected with accommodation and transport it would be irresponsible to agree to host the Carnival in Lismore when there will very clearly be consequences without a satisfactory remedy.

Having regard to the above matters I believe it is in the best interests of the City that this request be declined. This advice has been communicated both in writing and verbally with the organisers of the event. They have indicated that they would pursue other options.

## Notice of Motion

I hereby give notice of my intention to move at the next meeting of Council the following motion:
