

Don't let your *business* become *our* business

To help keep our sewer safe, please only flush the

Four Ps

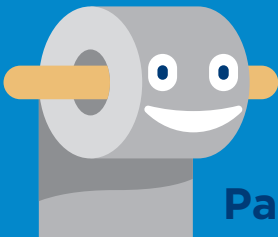

Pee

Pour the rain
down the drain

Poo

If it's brown,
flush it down

**Toilet
Paper**

Paper from the roll
is safe in the bowl

Proven

items with a
flushable logo
on the packaging

For everything else, it's logo or no-go

If in doubt, throw it out

Most paper towels, wet wipes and personal hygiene products can block our sewer. If you're not sure if something is safe to flush, it's best to put it in the bin.
