Warning and operational signs		

I _____

of _____

certify:

- (a) that each essential/critical fire safety measure specified in this statement has been assessed by a properly qualified person and was found, when it was assessed, to be capable of performing:
 - (i) in the case of an essential/critical fire safety measure applicable by virtue of a fire safety schedule, to a standard no less than that specified in the schedule, or
 - (ii) in the case of an essential fire safety measure applicable otherwise than by virtue of a fire safety schedule, to a standard no less than that to which the measure was originally designed and implemented, and
- (b) that a properly qualified person (whether the person referred to in paragraph (a) or another person) has inspected the building and has certified that, as at the date of the inspection, the condition of the building did not disclose any grounds for a prosecution under Division 4C of Part 7B of the *Environmental Planning and Assessment Regulation 1994*, and
- (c) the information contained in this certificate is, to the best of my knowledge and belief, true and accurate.
